

Creative Therapy Training

April 16th to 18th June 2012

Eight Mondays 10am to 2.30pm (32 hours)

This integrative, experiential training aims to expand your therapeutic repertoire and prepare you for working creatively with clients of any age.

Learning Outcomes

The aim of the course is to prepare practitioners for the therapeutic use of creative materials and skills with adults, groups, young people, families and children.

The Course will include:

Sand tray Work
Creative Art work
Symbolic work
Sensory experience

For working with:

Children (including Special needs)
Young people
Adults
Families and Groups

Requirements: Participants will need to hold a qualification of at least Diploma level. A *Certificate in Creative Therapy* will be awarded, based on continual assessment and one written assignment of 1500 words.
A Minimum of 85% attendance is required.

Trainers: Lisa Britton is a BACP Accredited counsellor and qualified Play Therapist with expertise in working with childhood sexual abuse. Martin Chester is a Child and Family Practitioner whose specialisms include working with autistic spectrum challenges.

Cost: £400 (£100 deposit to secure your place)

Venue: Rainbow Room LIFE-FORCE, Colchester, Essex, CO1 2QL

Contact: Email or 'phone Martin for further details and a booking form.
