

EMERGENCY FIRST AID AT WORK

HSE APPROVED

This one day course is designed specifically to meet the needs of different professionals who deal with clients in their practice.

As First Aid becomes part of the requirements of certain professional bodies, we have worked to design a special course for you to meet your needs.

What you will learn:

- ♥ Basic life saving First Aid and the relevant regulations

Course Content:

- ♥ Managing an incident & calling for assistance
- ♥ Priorities of First Aid
- ♥ Blood loss, bandages and bleeding
- ♥ Treatment of shock
- ♥ Course fee includes "First Aid Quick Guide"
- ♥ Airway management techniques
- ♥ Resuscitation techniques
- ♥ Treatment of unconscious casualty
- ♥ Medical emergencies & recovery position
- ♥ Burns and fractures
