

Advanced Certificate in Clinical Supervision

Commencing 1st March 2024
The LIFE-FORCE Centre
Colchester Essex

This face-to-face supervision training has been specifically developed for qualified counsellors with a Diploma or Degree in Counselling or a relevant Professional Qualification who have achieved a minimum of 300 hours of face-to-face contact client hours.

This training will provide you with the skills and knowledge to become an effective, competent and confident supervisor using your own counselling or therapy modality. It is also an opportunity for you to develop your own 'internal supervisor' and practice management skills.

“Experiential work is the heart of supervision”

The training model is informative, relational, creative and is based upon the BACP Ethical Framework & UKCP Supervision Standards and will include:-

Aspects of Supervision:-

- Exploring the supervisory relationship
- Supervising at all levels, working with students and qualified supervisees
- Different models of supervision, techniques and skills to enhance supervision
- Providing supervision remotely

Practice Management Skills-

- Exploration of contracts, evaluation, legal and ethical practice
- Dual roles, boundaries and equality
- Preparation/reviewing/reports
- Risk management/ Risk assessment

Advanced Certificate in Clinical Supervision (60 hours) is awarded based on:

- Attending 90% of course days (7days)
- Creating a professional supervision contract
- Pass a written essay assignment titled – ‘Reflection on Supervision’
- 10 hours of co-supervision practise including remote practice session
- 12 hours of home study time
