

# ***Advanced Certificate in Clinical Supervision***

**Commencing Friday 1st October 2021 at LIFE-FORCE Colchester**

## **Clinical Supervision training of 60 hours includes:**

The skills and knowledge to become an effective, competent and confident supervisor from an Integrative approach. It is also an opportunity for the participant to develop their own 'internal supervisor' and practice management skills.

The training model will be relational, creative, informative and experiential. It will be ideal for those who want to offer professional supervision using traditional supervision methods and skills, from their own theoretical discipline.

The training will prepare and qualify the participant to supervise professionals who work with individual clients in short-term or long-term therapy, in a therapeutic or an organisational setting.

***“Experiential work is the heart of supervision”***

## **The Training will include:**

- Supervisory relationship/model of supervision
- Techniques and skills to enhance supervision
- Contracts, evaluation, legal and ethical practice
- Supervising all stages of the process
- Self-disclosure/boundaries/equality
- BACP Ethical Framework & UKCP Supervision Standards
- Working with students, qualified counsellors and therapists

## **Entry Requirements:**

- A Diploma in Counselling or a relevant Professional Qualification
- Achieved a minimum of 300 hours of face-to-face contact client hours

## **An Advanced Certificate in Clinical Supervision (60 hours) is awarded based on:**

- Creating a professional Supervision Contract
- A written assignment entitled 'Reflection on Supervision' of 2,000 words
- Supervision Case Study of 2,000 words
- 10 hours of Co-supervision Practise
