

Advanced Certificate in Clinical Supervision

Commencing Friday 2nd October 2020 at LIFE-FORCE Colchester

This Clinical Supervision training of 60 hours includes:

The skills and knowledge to become an effective, competent and confident supervisor from an Integrative approach. It is also an opportunity to develop your own 'internal supervisor' and practice management skills.

The training model will be relational, creative, informative and experiential. It will be ideal for those of you who want to offer professional supervision using traditional supervision methods and skills, from your own theoretical discipline.

The training will prepare and qualify you to supervise professionals who work with individual clients in short-term or long-term therapy, in a therapeutic or organisational setting.

“Experiential work is the heart of supervision”

The Training will include:

- Supervisory relationship/model of supervision
- Techniques and skills to enhance supervision
- Contracts, evaluation, legal and ethical practice
- Supervising all stages of the process
- Self-disclosure/boundaries/equality
- BACP Ethical Framework & UKCP Supervision Standards
- Working with students, qualified counsellors and therapists

Entry Requirements:

- A Diploma in Counselling or a relevant Professional Qualification
- Achieved 300 hours of face-to-face counselling/therapy contact hours

An Advanced Certificate in Clinical Supervision (60 hours) is awarded based on:

- Creating a professional Supervision Contract
- A written assignment titled 'Reflection on Supervision' of 2,000 words
- Supervision Case Study of 2,000 words

- 10 hours of Co-supervision Practise
- Practical Peer Assessment
- Minimum 90% course attendance
